ACKNOWLEDGEMENTS

The Ministry of Primary and Secondary Education wishes to acknowledge the following for their valued contribution in the production of this syllabus:

- The Mass Display National Syllabus Panel for their professional and technical support
- Ministry of Higher and Tertiary Education, Science and Technology Development
- Belvedere Technical Teachers' College
- Zimbabwe Schools Examination Council (ZIMSEC)
- United Nations Children's Fund (UNICEF) for providing financial support

1.0 PREAMBLE

1.1 Introduction

This Mass Displays Syllabus is designed for Infant Learners (Early Childhood Development to Grade 2). It provides core study areas for Mass Displays. The syllabus is designed to ensure access to a Mass Displays Curriculum regardless of gender, race, religion, handicap and learners' current level of Mass Displays performance. This syllabus asserts that the learner is mobile.

The syllabus promotes learners' development of psychomotor skills and techniques and ensures that learners develop socially, physically, emotionally and cognitively. It serves as a firm foundation for entry into Junior School Mass Displays studies.

1.2 Rationale

Mass Displays are spectacular artistic performances which display the aesthetic values of sound, artifacts, movement and posture. They promote a sense of beauty, harmony, discipline, leadership, collaboration, teamwork, social integration and tolerance. They are an important vehicle for mass education and communication.

1.3 Summary of Content

The Infant Mass Displays syllabus focuses on the display concepts of gymnastics, dance, music and art with culminations of Mass Displays by learners of the Infant School level.

1.4 Assumptions

The syllabus assumes that learners have abilities to:

- express themselves through movement
- respond to stimuli through dance
- appreciate the performance of Mass Displays
- explore the elements and principles of design
- make use of information communication technology
- engage in cooperative work and self-assessment activities

1.5 Cross Cutting Themes

In order to foster competence development for further studies, life and work, the following cross-cutting priorities have to be taken into consideration in the teaching and learning of Mass Displays:

- Gender
- Children's Rights
- Disaster risk management
- Information Communication Technology (ICT)
- Child Protection
- Heritage
- Collaboration
- Environmental Issues

Mass Displays

2.0 PRESENTATION OF THE SYLLABUS

This Infant School Mass Displays Syllabus is in the form of one document consisting of four main topics namely, Gymnastics, Arena choreography, Music and Art which are further divided into sub-topics. The syllabus caters for learners in the Infant School Level Early Childhood Development to Grade 2.

3.0 AIMS

The syllabus helps learners to:

- 3.1 develop psychomotor skills, team building, confidence and self esteem
- 3.2 develop a collective spirit, based on our norms and values as well as an appreciation of the diverse cultures of the Zimbabwean society
- 3.3 promote good health and safety, appreciate senses of beauty and achievement as provide entertainment at ceremonies.
- 3.4 lay foundations for creativity in learners through talent and skill transfer
- 3.5 communicate information, knowledge and national ideals through the displays

4.0 SYLLABUS OBJECTIVES

By the end of the Infant School level, learners should be able to:

- 4.1. apply knowledge and skills appropriately in a variety of movement related situations
- 4.2. demonstrate the basic concepts of gross and fine motor skills
- 4.3. acquire and appreciate social skills related to the cultural values of a Zimbabwean society
- 4.4. exhibit musical and dance repertoire sourced from indigenous and other cultural sources
- 4.5. observe the conventions of fair play, fun and enjoyment in Mass Displays
- 4.6. apply principles and rules of safety and responsibility related to themselves, others, equipment and facilities acquire and appreciate social skills related to the cultural values of a Zimbabwean society
- 4.7. identify physical activities which illustrate care and optimal health issues
- 4.8. correlate talent and skill in mass displays with those in other study areas in the curriculum
- 4.9. demonstrate the ability to perform basic Mass Displays skills
- 4.10. participate in public performances at different levels

Mass Displays

5.0 METHODOLOGY AND TIME ALLOCATION

5.1 Methodology

The methods suggested below overlap and are mutually supportive but not exhaustive. They all allow and enhance natural exploration processes. Engagement of resource persons is encouraged.

- Discovery including guided discovery
- Problem solving
- Experimentation
- Discussion
- Word games/ puzzles
- Quizzes, poems and rhymes
- Telling and listening to stories
- Song and dance
- Role play, drama and animation
- Simulation and questioning
- Group projects
- Demonstration
- Educational tours
- Command
- Reciprocal
- Practice

5.2 Time Allocation

Early Childhood Development A and B: five 20 minute periods per week
Grades 1 and 2: five 30 minute periods per week

Infants need this time, for it is at this stage that learners develop and acquire most of the basic Mass Displays skills which need to be constantly reinforced.

Mass Displays

6.0 TOPICS

6.1 Gymnastics

- 6.1.1 Locomotion
- 6.1.2 Balances
- 6.1.3 Coordination
- 6.1.4 Formations

6.1 Arena Choreography

- 6.2.1 Movement and Rhythm
- 6.2.2 Choreography

6.1 Music

- 6.3.1 Background and Performing Music

6.1 Art

- 6.4.1 Patterns
- 6.4.2 Colours
- 6.4.3 Shapes

7.0 SCOPE AND SEQUENCE

7.1 TOPIC 1: GYMNASTICS

TOPIC	ECD 'A'	ECD 'B'	GRADE 1	GRADE 2
Locomotion	<ul style="list-style-type: none"> Free movement Instructed free movement for space, speed, direction and with apparatus 	<ul style="list-style-type: none"> Movement for space, speed, direction and with apparatus 	<ul style="list-style-type: none"> Movement with prescribed basic shapes and formations in response to given tasks and stimuli 	<ul style="list-style-type: none"> Linked movements with prescribed shapes and formations in response to given tasks (e.g. martial arts) and stimuli
Balances	<ul style="list-style-type: none"> Supported balances Individual balances Balances and weight bearing Balancing and creating shapes and formations 	<ul style="list-style-type: none"> Balances, weight bearing and weight transfer Balancing a creating shapes and formations 	<ul style="list-style-type: none"> Balance on or with prescribed apparatus Balancing and creating prescribed shapes and formations 	<ul style="list-style-type: none"> Balance on prescribed apparatus Balancing and creating different body shapes and formations
Coordination	<ul style="list-style-type: none"> Coordination of hand and eye coordination of limbs Show basic concepts of coordination Coordination in relation to stimuli 	<ul style="list-style-type: none"> Coordination in relation to balance and weight transfer Coordination in relation to stimuli 	<ul style="list-style-type: none"> Coordination with equipment and apparatus in relation to stimuli 	<ul style="list-style-type: none"> Coordination in relation to stimuli and change of formations motor skills
Formations	<ul style="list-style-type: none"> Basic linear formations in pairs and groups Linear and simple shape formations Formations displays 	<ul style="list-style-type: none"> Linear and simple shape formations Formations displays 	<ul style="list-style-type: none"> Linear, circular, square and oblique formations Formations displays 	<ul style="list-style-type: none"> Linear, circular, square, oblique and chevron formations Formations displays

Mass Displays

7.2 TOPIC 2: ARENA CHOREOGRAPHY

TOPIC	ECD 'A'	ECD 'B'	GRADE 1	GRADE 2
Movement and rhythm	<ul style="list-style-type: none"> Movement in different directions Intermittent time and continuous motion Movement to cover space, rhythm and direction Movement and stoppages involving gestures and rhythm with weight qualities Movement and rhythm display 	<ul style="list-style-type: none"> Movement to cover space, rhythm and direction Movement and stoppages involving gestures and rhythm with weight and time qualities Movement and rhythm display 	<ul style="list-style-type: none"> Movement to cover space, rhythm and direction Movement and stoppages involving gestures and rhythm with weight and time qualities Movement and rhythm display 	<ul style="list-style-type: none"> Movement to cover space, rhythm and direction Movement and stoppages involving gestures and rhythm with weight, time and flexibility qualities Movement and rhythm display
Choreography	<ul style="list-style-type: none"> Perform a variety of dances and physical activities Combine at least 2 learnt activities to form choreography Display the combined activities 	<ul style="list-style-type: none"> Combine at least 3 learnt activities selected from dance, rhythm and gymnastic activities to form choreography Display the combined activities 	<ul style="list-style-type: none"> Combine at least 4 learnt activities selected from dance, rhythm and gymnastic activities to form choreography Display the combined activities 	<ul style="list-style-type: none"> Combine beat notation, movement patterns and verbal cues from learnt dance, rhythm and gymnastics activities to form choreography Display the combined activities Display the combined activities

7.3 TOPIC 3: MUSIC

TOPIC	ECD 'A'	ECD 'B'	GRADE 1	GRADE 2
Background and Performing Music	<ul style="list-style-type: none"> Listening, recalling and singing various types of performance music Folk songs Imitation 	<ul style="list-style-type: none"> Folk songs Contemporary music Folk songs and contemporary songs for display 	<ul style="list-style-type: none"> Folk songs that add an appreciation of Unhu/Uubuntu / Vumunhu Folk and contemporary songs for display 	<ul style="list-style-type: none"> Contemporary music and folk songs The meaning of folk songs in indigenous languages Folk and contemporary songs for display

7.4 TOPIC 4: ART

TOPIC	ECD 'A'	ECD 'B'	GRADE 1	GRADE 2
Patterns	<ul style="list-style-type: none"> Basic patterns, free drawing, cutting and pasting 	<ul style="list-style-type: none"> Basic patterns, guided drawing, cutting and pasting Single page background Art charts 	<ul style="list-style-type: none"> Basic patterns, guided drawing, cutting and pasting Triple page Background Art books 	<ul style="list-style-type: none"> Basic patterns, guided drawing, cutting and pasting Five page Background Art books
Colours	<ul style="list-style-type: none"> Colour matching from paper and objects Corporeal (bodily) and object prints using various colours Primary colours in painting 	<ul style="list-style-type: none"> Primary and secondary colours in painting 	<ul style="list-style-type: none"> National colours in painting National colours as background art 	<ul style="list-style-type: none"> National colours in relation to given patterns in painting and used as background art
Shapes	<ul style="list-style-type: none"> Shapes inventory Shape-matching by size, colour, texture and shape 	<ul style="list-style-type: none"> Shapes drawing and colouring Shape- matching by colour, texture and size 	<ul style="list-style-type: none"> Plain shapes collection by colour, texture and size Collection used as background art 	<ul style="list-style-type: none"> Shapes drawing, cutting and pasting Collection used as background art

12.0 ASSESSMENT

This syllabus' scheme of assessment is grounded on the principle of inclusivity. Arrangements, accommodations and modifications must be visible in continuous assessments to enable candidates with special needs to access assessments.

12.1 Assessment Objectives

By the end of the Infant School level, learners are expected to:-

- use body parts to perform gymnastics gestures
- balance and create different body shapes
- dance to different kinds of music
- singing folk songs and perform folk dances
- move and stop rhythmically in dance taking directions to cover space
- design, draw, colour and cut out shapes
- write, paint, cut and paste letters
- perform gestures in formations
- perform gestures with or without apparatus and in formations
- display gymnastics gestures individually and in groups for displays
- combine dance routines in response to stimuli for display purposes
- arrange letters into meaning for displays

12.2 Scheme of Assessment (100%)

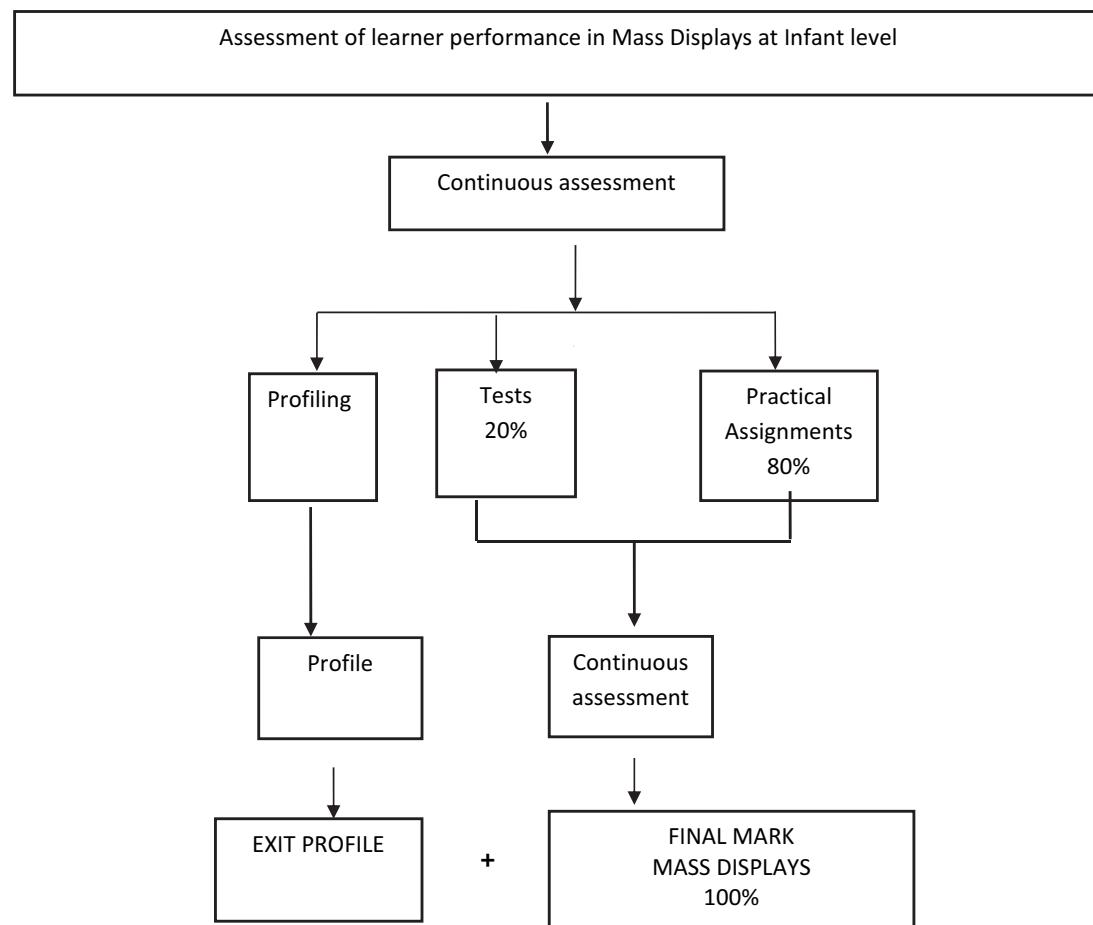

- The assessment will be continuous, mainly formative in nature and based on achieving the learning outcomes for each topic and grade level. Learner profiling must inform where the learner has made progress and areas for future development in relation to the objectives.
- Profiling and practical assignments are administered to learners from ECD through to Grade 2, while tests start at Grade 1. Tests and assignments are designed by the class teacher. Assessment instruments like check lists and observation schedules must go through national standardization.
- The Learner Profile Record must state the learner's entry abilities and potential at every level in addition to concepts, skills and knowledge the child has acquired or developed.

NB: Assessment through practical assignments and tests may not contribute to the final mark. Profiling should continue through to Grade 7.

For further details of assessment for Infant School level Mass Displays, refer to the Physical Education, Sport and Mass Displays Assessment Procedure booklet.

Mass Displays

Model of Assessment

12.3 Specification Grid

In this learning area, there is only formative assessment for the Infant School cycle. Learners will be assessed through continuous assessment. Progress made by the learner will be profiled weekly in the individual learner profile record.
